

# FLAX FACTS!

## Natural fiber cloths give you the feel and performance you demand.

Ditch the risks that come with rags and rental towels. Our disposable cloths perform at a level that meets your higher expectations.

### Safe Material

FLAX cloths are safe from hazardous metals and other residual materials sometimes found in rags and rental shop towels.<sup>1</sup>

### Cost-Effective

FLAX cloths can be more cost-effective than rags and rental shop towels.

### Absorbent

FLAX cloths are naturally absorbent and designed to handle everything from light duty wiping to heavy duty industrial cleaning.

### Sustainable

FLAX cloths are made from 100% plant-based material.
