

Natural fiber cloths give you the feel and performance you demand.

Ditch the risks that come with rags and rental towels. Our disposable cloths perform at a level that meets your higher expectations.

Safe Material

FLAX cloths are safe from hazardous metals and other residual materials sometimes found in rags and rental shop towels.¹

Cost-Effective

FLAX cloths can be more cost-effective than rags and rental shop towels.

Absorbent

FLAX cloths are naturally absorbent and designed to handle everything from light duty wiping to heavy duty industrial cleaning.

Sustainable

FLAX cloths are made from 100% plant-based material.
